

RESPONSE TO NOTICE OF NONCOMPLIANT AMENDMENT

5

This paper responds to the Notice of Noncompliant Amendment dated November 10, 2008.

The Notice of Noncompliant Amendment says:

10 Also there must be a separate sheet labeled "REMARKS".

This is in error. 37 CFR section 1.121 does not require "a separate sheet labeled 'REMARKS'. It is requested that the Notice of Noncompliant Amendment be withdrawn in the respect that it purports to require a separate sheet labeled "REMARKS".
